**POLICYHOLDER NOTICE - COUNTRYWIDE**
**IMPORTANT INFORMATION NOTICE - OFFER OF TERRORISM COVERAGE; DISCLOSURE OF PREMIUM**

**THIS NOTICE DOES NOT FORM A PART OF THE POLICY, GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.**

As used herein, 1) "we" means the insurer listed on the Declarations or the Certificate of Insurance, as applicable; and 2) "you" means the first person or entity named on the Declarations or the Certificate of Insurance, as applicable.

You are hereby notified that under the Terrorism Risk Insurance Act, as extended and reauthorized ("Act"), you have a right to purchase insurance coverage of losses arising out of acts of terrorism, as defined in Section 102(1) of the Act, subject to all applicable policy provisions. The Terrorism Risk Insurance Act established a federal program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks.

This Notice is designed to alert you to coverage restrictions and to certain terrorism provisions in the policy. If there is any conflict between this Notice and the policy (including its endorsements), the provisions of the policy (including its endorsements) apply.

**CHANGE IN THE DEFINITION OF A CERTIFIED ACT OF TERRORISM**

The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. Originally, the Act provided that to be certified, an act of terrorism must cause losses of at least five million dollars and must have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest to coerce the government or population of the United States. However, the 2007 re-authorization of the Act removed the requirement that the act of terrorism must be committed by or on behalf of a foreign interest, and now certified acts of terrorism may encompass, for example, a terrorist act committed against the United States government by a United States citizen, when the act is determined by the federal government to be "a certified act of terrorism."

In accordance with the Act, we are required to offer you the ability to purchase coverage for losses resulting from an act of terrorism that is certified under the federal program. The other provisions of this policy, including nuclear, war or military action exclusions, will still apply to such an act.

**DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES**

The Department of the Treasury will pay a share of terrorism losses insured under the federal program. In 2015, the federal share equals 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention, and shall decrease by 1 percentage point per calendar year until equal to 80%.

**LIMITATION ON PAYMENT OF TERRORISM LOSSES**

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

Further, this coverage is subject to a limit on our liability pursuant to the federal law where, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a calendar year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

**Policyholder Notice**

**CONFIRMATION OF ACCEPTANCE OF COVERAGE**

In accordance with the Act, we offered you coverage for losses resulting from an act of terrorism that is certified under the federal program. This notice confirms that you have chosen to accept our offer of coverage for certified acts of terrorism. The policy's other provisions, including nuclear, war or military action exclusions, will still apply to such an act. The premium charge for terrorism coverage, if any, is shown separately on the Declarations or the Certificate of Insurance, as applicable.

## HEALTHCARE FACILITIES UMBRELLA POLICY

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered. The "Insurer" refers to the Insurer providing this insurance as set forth on the Declarations. Words and phrases that appear in **bold** have special meaning. Refer to the section entitled **DEFINITIONS**.

**COVERAGE****A. Insuring Agreement**

**Subject** to the section entitled **LIMITS OF INSURANCE**, the Insurer will pay on behalf of an **Insured** those **damages** in excess of the **applicable underlying limit** that an **Insured** becomes legally obligated to pay as a result of a **claim**, including a **professional liability claim**, alleging **injury** and caused by an **incident**. The Insurer will pay such **damages** only upon exhaustion of the **applicable underlying limit**.

**B. How this Insurance Applies**

This insurance applies only as follows.

**1. Occurrence Coverage**

Where the **primary policy** or **self-insured retention** is on an occurrence basis,

- a. the **property damage** or **bodily injury** (other than covered **bodily injury** arising out of the rendering of **professional services**) takes place during the **policy period**; and
- b. the **incident** giving rise to **personal and advertising injury**, **professional services injury** or **employee benefits services injury** was first committed during the **policy period** and prior to the end of the **policy period**; and
- c. prior to the effective date of the **policy period**, no **authorized insured**:
  - i. knew that such **incident** that is an act, error or omission in the performance of **professional services** or **employee benefits program services** had occurred, in whole or in part; or
  - ii. knew that such **injury** that is **property damage** or **bodily injury** (other than covered **bodily injury** arising out of the rendering of **professional services**) had occurred, in whole or in part. If any **authorized insured** knew, prior to the **policy period**, that any such **bodily injury** or **property damage** had occurred, then any continuation, change or resumption of such **bodily injury** or **property damage** during or after the **policy period** will be deemed to have been known prior to the **policy period**; or
  - iii. knew that any offense giving rise to **personal and advertising injury** had occurred, in whole or in part.

For the purposes of paragraph b. above, an offense shall be deemed first committed on the date of the first utterance or dissemination or, if there is no dissemination or utterance, on the first date of the activity giving rise to a **claim**.

**2. Claims-Made Coverage**

Where the **primary policy** or **self-insured retention** is on a claims-made basis,

- a. such **claim** is first made against any **Insured** during the **policy period** or during the **extended reporting period**, if any, and is reported to the Insurer in accordance with the section entitled **CONDITIONS**, the paragraph entitled **Notice of Claims and Potential Claims**; and
  - b. prior to the effective date of the **coverage relationship**:
    - i. no **authorized Insured** knew or should have known of a **claim** or a **potential claim**; or
    - ii. no **Insured** had given notice to a prior insurer of any **related claim**.
  - c. prior to the effective date of the **coverage relationship**, no **authorized Insured** knew:
    - i. that any **bodily injury** (other than covered **bodily injury** arising out of the rendering of **professional services**) or **property damage** had occurred. If any **authorized Insured** knew, prior to the **coverage relationship**, that any **bodily injury** or **property damage** had occurred, then any continuation, change or resumption of such **bodily injury** or **property damage** during or after the **coverage relationship** will be deemed to have been known prior to the **coverage relationship**.
    - ii. that any offense giving rise to **personal and advertising injury** had occurred, in whole or in part, and
  - d. the **incident** occurred on or after the Retroactive Date, if any, shown in the **DECLARATIONS**.
3. For purposes of paragraphs 1. and 2. above, an **authorized Insured** will be deemed to know:
- a. that such **bodily injury** or **property damage** occurred, at the earliest time when such **authorized Insured**:
    - i. reports the **bodily injury** or **property damage** to the Insurer or any other Insurer;
    - ii. receives a **claim** arising out of the **bodily injury** or **property damage**; or
    - iii. becomes aware by any other means that the **bodily injury** or **property damage** has occurred or has begun to occur;
  - b. that such offense had occurred, on the date of the first utterance or dissemination or, if there is no utterance or dissemination on the first date of the activity giving rise to a **claim**.
4. Where there is no **underlying insurance** applicable to a **claim** covered under this policy, this policy applies as primary insurance on a claims made basis pursuant to all other terms and conditions of coverage.
5. Where the Insurer is the first layer of insurance above a **self-Insured retention**, the **self-Insured retention** shall be subject to all of the terms and conditions of this policy.
6. The Insurer will also pay for **defense costs** as specified in the section entitled **DEFENSE PAYMENT AND RELATED DUTIES**.

#### **DEFENSE PAYMENT AND RELATED DUTIES**

- A. No **Insured** shall admit liability, consent to any judgment, agree to any settlement or make any settlement offer which is reasonably likely to involve this policy without the Insurer's prior written consent, such consent not to be unreasonably withheld. The **Insureds** agree that they shall not knowingly take any action that increases the Insurer's exposure for **damages** or loss under this policy.

## Healthcare Umbrella Policy

- B. The Insurer may, at the Insurer's sole discretion and at the Insurer's own cost, elect to participate in the investigation, settlement or defense of any **claim** against any of the **Insureds** for matters covered by this policy even if the **applicable underlying limit** has not been exhausted.
- C. Where there is **underlying insurance** (including a **self-Insured retention**) or **unscheduled underlying insurance**, the **Insured Entity**, and not the Insurer, has the duty to defend **claims**. The **Insured Entity** shall exercise its best judgment in adjusting **claims** and endeavor to resolve such **claims** in a fair, equitable, timely and cost effective manner in accordance with the standards set forth in the National Association of Insurance Commissioners' Unfair Claims Settlement Practices Act, as it may be amended from time to time.
- D. If the obligation of all **underlying insurers** (or the **Insured Entity**, where there is a **self-Insured retention**) either to investigate or defend the **claim** or pay the cost of such investigation or defense, ceases solely through exhaustion of all **applicable underlying limits** through payment of a combination of any covered expenses, damages, settlements or judgments for **injury**, then the Insurer will, at the Insurer's option, either:
1. assume the investigation or defense of the **Insured** against **claims**; or
  2. reimburse the **Insured** for **defense costs** it incurs in the investigation or defense of such **claims**.
- However, all **defense costs** incurred in connection with such **claims** are included within and erode the Limits of Insurance.
- E. The Insurer will have the option to either investigate or defend a **claim** or to reimburse an **Insured** for **defense costs** in connection with a **claim** where the **claim** is not covered under the **underlying insurance** or **unscheduled underlying insurance**, but which seeks or involves **damages** because of **injury** otherwise covered under this policy.
- F. Where the Insurer has opted to investigate or defend a **claim**, the Insurer will do so even if the allegations of a **claim** are groundless, false, or fraudulent, but only until the Insurer makes payment or offers to pay or deposit in court that part of a judgment not exceeding the Insurer's limit of liability. The Insurer shall also have the sole right to make settlement of a **claim** as the Insurer deems expedient.
- G. If a **claim** made against the **Insureds** includes both covered and uncovered matters or if a **claim** is made against **Insureds** who are extended coverage therefore and others who are not extended coverage therefore, the **Insureds** agree that there must be an allocation between Insured and uninsured loss. The **Insureds** and the Insurer shall exercise their best efforts to agree upon a fair and proper allocation, based on the relative legal and financial exposures, between Insured loss and uninsured loss.

### **EXCLUSIONS**

This Insurance does not apply to:

#### **A. Access or Disclosure of Confidential or Personal Information and Data-related Liability**

1. any **damages** (other than covered **bodily injury** arising out of the rendering of **professional services**) based upon or arising out of any actual or alleged access to or disclosure of any person's or organization's confidential or personal information, including patents, trade secrets, processing methods, customer lists, financial information, credit card information, health information or any other type of nonpublic information; or

However, unless paragraph 1. above applies, this exclusion does not apply to **damages** because of **bodily injury**.

**B. Aircraft**

any **claim** based upon or arising out of any actual or alleged **bodily injury** or **property damage** arising out of any **aircraft** that is owned or operated by or rented or loaned to any **Insured** including **bodily injury** or **property damage** caused by operation, maintenance, entrustment to others or **loading or unloading of aircraft**.

This exclusion applies even if such **claim** against an **Insured** alleges negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that **Insured**, provided the **occurrence** which caused the **bodily injury** or **property damage** involved the ownership, maintenance, use or entrustment to others of any **aircraft** that is owned or operated by or rented or loaned to any **Insured**.

This exclusion does not apply:

1. to any **aircraft** that is:
  - a. chartered by, loaned to, or hired by the **Insured Entity** with a paid crew; and
  - b. not owned by any **Insured**, or

  - b. in complying with a governmental direction or request to test for, monitor, clean up, remove, contain or dispose of **asbestos**.

This exclusion applies even if the **claims** against any **Insured** alleges negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that **Insured**, if the **occurrence** which caused the **bodily injury** or **property damage** involved **auto** or watercraft that is owned or operated by or rented or loaned to any **Insured**.

This exclusion does not apply to:

1. watercraft while ashore on premises the **Insured Entity** owns or rents;

2. watercraft the **Insured Entity** does not own that is:
  - a. less than 26 feet long; and
  - b. not being used to carry persons or property for a charge;
3. parking an **auto** on, or on the ways next to, premises the **Insured Entity** owns or rents, provided the **auto** is not owned by or rented or loaned to any **Insured**;
4. liability assumed under any **Insured contract** for the ownership, maintenance or use of or watercraft; or
5. **bodily injury or property damage** arising out of:

  - b. the operation of any of the machinery or equipment listed in **F.2.** (Cherry Pickers etcetera) or **F.3.** (air compressors etcetera) of the definition of **mobile equipment**;

This exclusion also does not apply if insurance for **bodily injury or property damage** arising out of an **auto** is provided by a policy of **underlying insurance**. **A. Appeals**

If the **Insured Entity** or its **underlying insurers** elect not to appeal a judgment in excess of the Limits of Insurance afforded by the **underlying insurance** the Insurer may elect to appeal. None of the provisions of this policy will be waived, changed or modified except by written endorsement issued to form a part of this policy.

**D. Changes to the Business, Acquisitions and Mergers**

1. The **Named Insured** must provide prior notice to the Insurer of the following events:

No coverage is provided for any act, error or omission of an estate, heir, legal representative, assign, spouse or **domestic partner**.

**J. Examination of the Named Insured's Books and Records**

**K. Financial Impairment**

Bankruptcy, rehabilitation, receivership, liquidation or other financial impairment of the **Insured Entity** or an **underlying insurer** shall neither relieve nor increase any of the Insurer's obligations under this policy.

In the event there is diminished recovery or no recovery available to the **Insured Entity** as a result of its financial impairment, where the **underlying insurance** is a **self-Insured retention**, or financial impairment of an **underlying insurer**, the coverage under this policy shall apply only in excess of such **self-Insured retention** or the limits of insurance stated in the **underlying insurance**. Under no circumstances shall the Insurer be required to drop down and replace the **self-Insured retention** or such limits of insurance, or assume the obligations of the **Insured Entity** or the financially impaired insurer.

**L. Government Access to Records**

1. make inspections and surveys at any time;
2. give the **Named Insured** reports on the conditions it finds;

#### **O. Legal Action Limitation**

No **Insured** may bring any legal action against the Insurer concerning this policy until:

1. the **Insured** has fully complied with all the provisions of this policy; and
2. the amount of the **Insured's** obligation to pay has been decided. Such amount can be set by judgment against the **Insured** after actual trial or **arbitration proceeding** or by written agreement between the **Insured**, the claimant and the Insurer.

Any claimant, or its legal representative, is entitled to recover under this policy after it has secured a judgment or written agreement. Recovery is limited to the extent of the insurance afforded by this policy. No claimant has any right under this policy to include the Insurer in any action against the **Insured** to determine the **Insured's** liability, nor will the **Insured** or the **Insured's** representative bring the Insurer into such an action. If the **Insured** or the **Insured's** estate becomes bankrupt or insolvent, it does not change any of the Insurer's obligations under this policy.

#### **P. Maintenance of underlying insurance**

While this policy is in force the **Insured Entity** agrees that the **underlying insurance** and renewals and replacements thereof shall be maintained, without alterations of terms or conditions, in full effect during the term of this policy; except for reduction or exhaustion of the Limits of Insurance in the **underlying insurance**, provided that such reduction or exhaustion is solely the result of **incidents** which take place on or after the Retroactive Date, where such **underlying insurance** is written on a claims-made basis, or **incidents** which take place during this **policy period**, where such **underlying insurance** is written on an occurrence basis. If the **Insured Entity** fails to maintain **underlying insurance**, this condition shall not invalidate this policy. However, in the event of such failure, the Insurer will only be liable to the same extent as if such **underlying insurance** was in full force and effect without alteration of its terms and conditions.

#### **Q. New and Existing Subsidiaries/Cessation of Subsidiaries**

##### **1. Newly Acquired and Newly Formed Subsidiaries**

If, after the effective date of this policy any **Insured Entity** first has **management control** of any newly acquired or newly formed entity, such entity (and any subsidiaries, directors, officers, trustees or employees of such entity who otherwise would thereby become an **Insured**), shall be covered under this policy in conformance with all terms and conditions of this policy and with respect to such newly acquired or newly formed entity, subject to the following:

- a. where coverage is provided on a claims-made basis, both the **occurrence**, act error or omission or offense giving rise to the **claim** and the **claim** itself is made on or after the effective date of **management control** and within 90 days of such effective date, or on the termination of this policy, whichever is earlier; and
- b. where coverage is written on an occurrence basis, the **bodily injury** (other than covered **bodily injury** arising out of the rendering of **professional services**) or **property damage**, or offense giving rise to **personal and advertising injury**, occurred on or after the effective date of **management control** and within 90 days of such effective date, or on or before the termination of this policy, whichever is earlier.

Notwithstanding the above, if the Insurer agrees to provide coverage to such newly acquired or newly formed entity, such entity will be listed in a **Subsidiary Endorsement** and coverage for such **subsidiary** will then apply in conformance with the provisions of such **Subsidiary Endorsement**.

## 2. Underwritten Subsidiaries

Except with respect to coverage provided to newly acquired or newly formed **subsidiaries** under paragraph 1. above, coverage for any **subsidiary** or any natural person **executive** or **employee** of any such **subsidiary** applies in conformance with all terms and conditions of this policy and, with respect to any such **subsidiary** and its **executives** or **employees** coverage is also subject to the following:

- a. where coverage is written on a Claims-Made basis,
  - i. the **claim** is both first made during the **policy period** and on or after the effective date of **management control**, and

 whichever is earlier, unless such **subsidiary** is listed in the **Subsidiary Endorsement** and a retroactive date is specified for such **subsidiary** in such endorsement.
- b. where coverage is written on an occurrence basis, the **bodily injury** (other than covered **bodily injury** arising out of the rendering of **professional services**) or **property damage** or offense giving rise to **personal and advertising injury** occurred on or after the Effective Date of **management control**.

## 3. Cessation of Subsidiary

On the date when **management control** ceases (the "termination date"), subject to all other terms and conditions of this policy, coverage applies only to:

- b. with respect to occurrence coverage, acts, errors or omission, or **bodily injury**, **property damage**, or an offense causing **personal and advertising injury** that happened within the **policy period** and prior to the termination date.

## R. Notice of Claims and Potential Claims

If any **underlying insurance** (other than a **self-insured retention**) is a policy issued by the Insurer or any affiliate of ours, then notice of any **claim** under such **underlying insurance** is notice to the Insurer.

Except as provided in the above paragraph, it is a condition precedent to coverage under this policy that:

1. whenever:
  - a. any applicable **underlying insurance** or any **unscheduled underlying insurance** is exhausted; or
  - b. any **authorized Insured** obtains information that the obligation of **underlying insurers** to investigate, defend, pay on behalf of; or indemnify the **Insured Entity** has ceased;

2. whenever any **authorized Insured** has information of a **claim** or **potential claim** that involves:

In addition, whenever any **authorized insured** has information of a death that has resulted in a **claim** or a **potential claim**, then written notice of any such **claim** or such **potential claim** shall be given by or for the **Insured Entity** to the Insurer or to the Insurer's authorized agent as soon as possible as specified in paragraph **3.** below.

**CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM ENDORSEMENT**

It is understood and agreed as follows:

Whenever used in this endorsement, 1) "we" means the insurer listed on Declarations or the Certificate of Insurance, as applicable; and 2) "you" means the first person or entity named on the Declarations or the Certificate of Insurance, as applicable.

**A. Cap on Certified Terrorism Losses**

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism pursuant to the Terrorism Risk Insurance Act, as extended and reauthorized (the "Act"). The criteria contained in the Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a calendar year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

**B. Application of Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

All other terms and conditions of the policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the policy issued by the designated Insurers, takes effect on the Policy Effective date of said policy at the hour stated in said policy, unless another effective date (the Endorsement Effective Date) is shown below, and expires concurrently with said policy.
